C. Richard Talley joined ASHP in 1978. On his retirement at the end of 2014 as Editor in Chief of \textit{AJHP} and Assistant Vice President for Pharmacy Publishing in the Publications and Drug Information Systems Office, he will have served ASHP for 37 years. During that time, Talley wrote scores of pieces for \textit{AJHP} and other publications. Appearing here is a list of those contributions, the full text of which can be found at www.ashp.org/DocLibrary/AJHP/Talley-Contributions.pdf. Also included are a brief timeline of highlights during Talley’s tenure at ASHP and a selection of photographs showing Talley and some of the people important to him.
